SEMESTER IN LA – COURSE WISH LIST

- 1. Go to this link to view the Schedule of Classes at https://www.calstatela.edu/registrar/schedule-classes.
- 2. If the Schedule of Classes is not yet available for the upcoming term, you can use the prior term as a reference only, to see what courses have been offered. *Example: If searching for Fall classes, refer back to the prior Fall term.*
- 3. The website provides the archive Schedule of Classes in the last two years for your reference.
- 4. Undergraduate (UG) students are required to take at least 12 units to maintain full-time status. (1000-4000 level courses are UG classes)
- Graduate students are required to take at least 8 units of graduate-level (5000 level) courses to maintain the status.
 If you want to enroll in a mixture of Undergraduate and Graduate level courses, you have to take 12 units to satisfy the full-time requirement.

Please list 10 courses for us to select available classes for you. We usually select four (4) available classes if you plan to take 12 units and each class is 3-units.

First Name

SUBJECT	SUBJECT#	TITLE	UNITS	Prerequisites required for this class at Cal State LA? (Yes/No)	Course at your home institution that meets this prerequisite requirement (Subject name and number)
(E.g.) MGMT	3080	Business Responsibilities in Society	3	Yes	

I certify that the above courses are approved from my home institution for enrollment.
